ABOUT US

PT PUTRA SAMUDERA PERDANA

PT PUTRA SAMUDERA PERDANA was established in February 2019. In line with the government's development program, PT PUTRA SAMUDERA PERDANA is determined to play an active role in running it, based on confidence in its abilities professionally and responsibly. PT PUTRA SAMUDERA PERDANA is a company engaged in the General Marine Contractor sector which includes LSA / FFA Service, Aircon Service, Carrier, Engine, and so on. PT PUTRA SAMUDERA PERDANA always develops short-term, medium-term and long-term cooperation patterns with owners, colleagues and partners. The problems that arise in each type of work are always different, so flexible management patterns are the main choice of PT PUTRA SAMUDERA PERDANA to be used in various project models. The trust given to us is an honor that will be maintained and implemented as well as possible in order to obtain results that satisfy both parties.

PT PUTRA SAMUDERA PERMATA

Along with the development of PT Putra Samudera Perdana Top Management began to expand its business into other fields under the auspices of PT Putra Samudera Permata as a sister company, with the scope of Certification Testing & Re-certification Scope Details: - Load Test - NDT, Destructive Test Wire Rope Sling - Calibration - Bollard Pull Test - Socketing - Wire spooling, pull test wire rope sling - Crane Inspection - Hydraulic Service - Equipment Rental With experienced and certified experts, we are committed to building safe and comfortable cooperation and ensuring that all work is carried out professionally and has a good impact on both parties
